The little pig. By Chelsea Morgan.

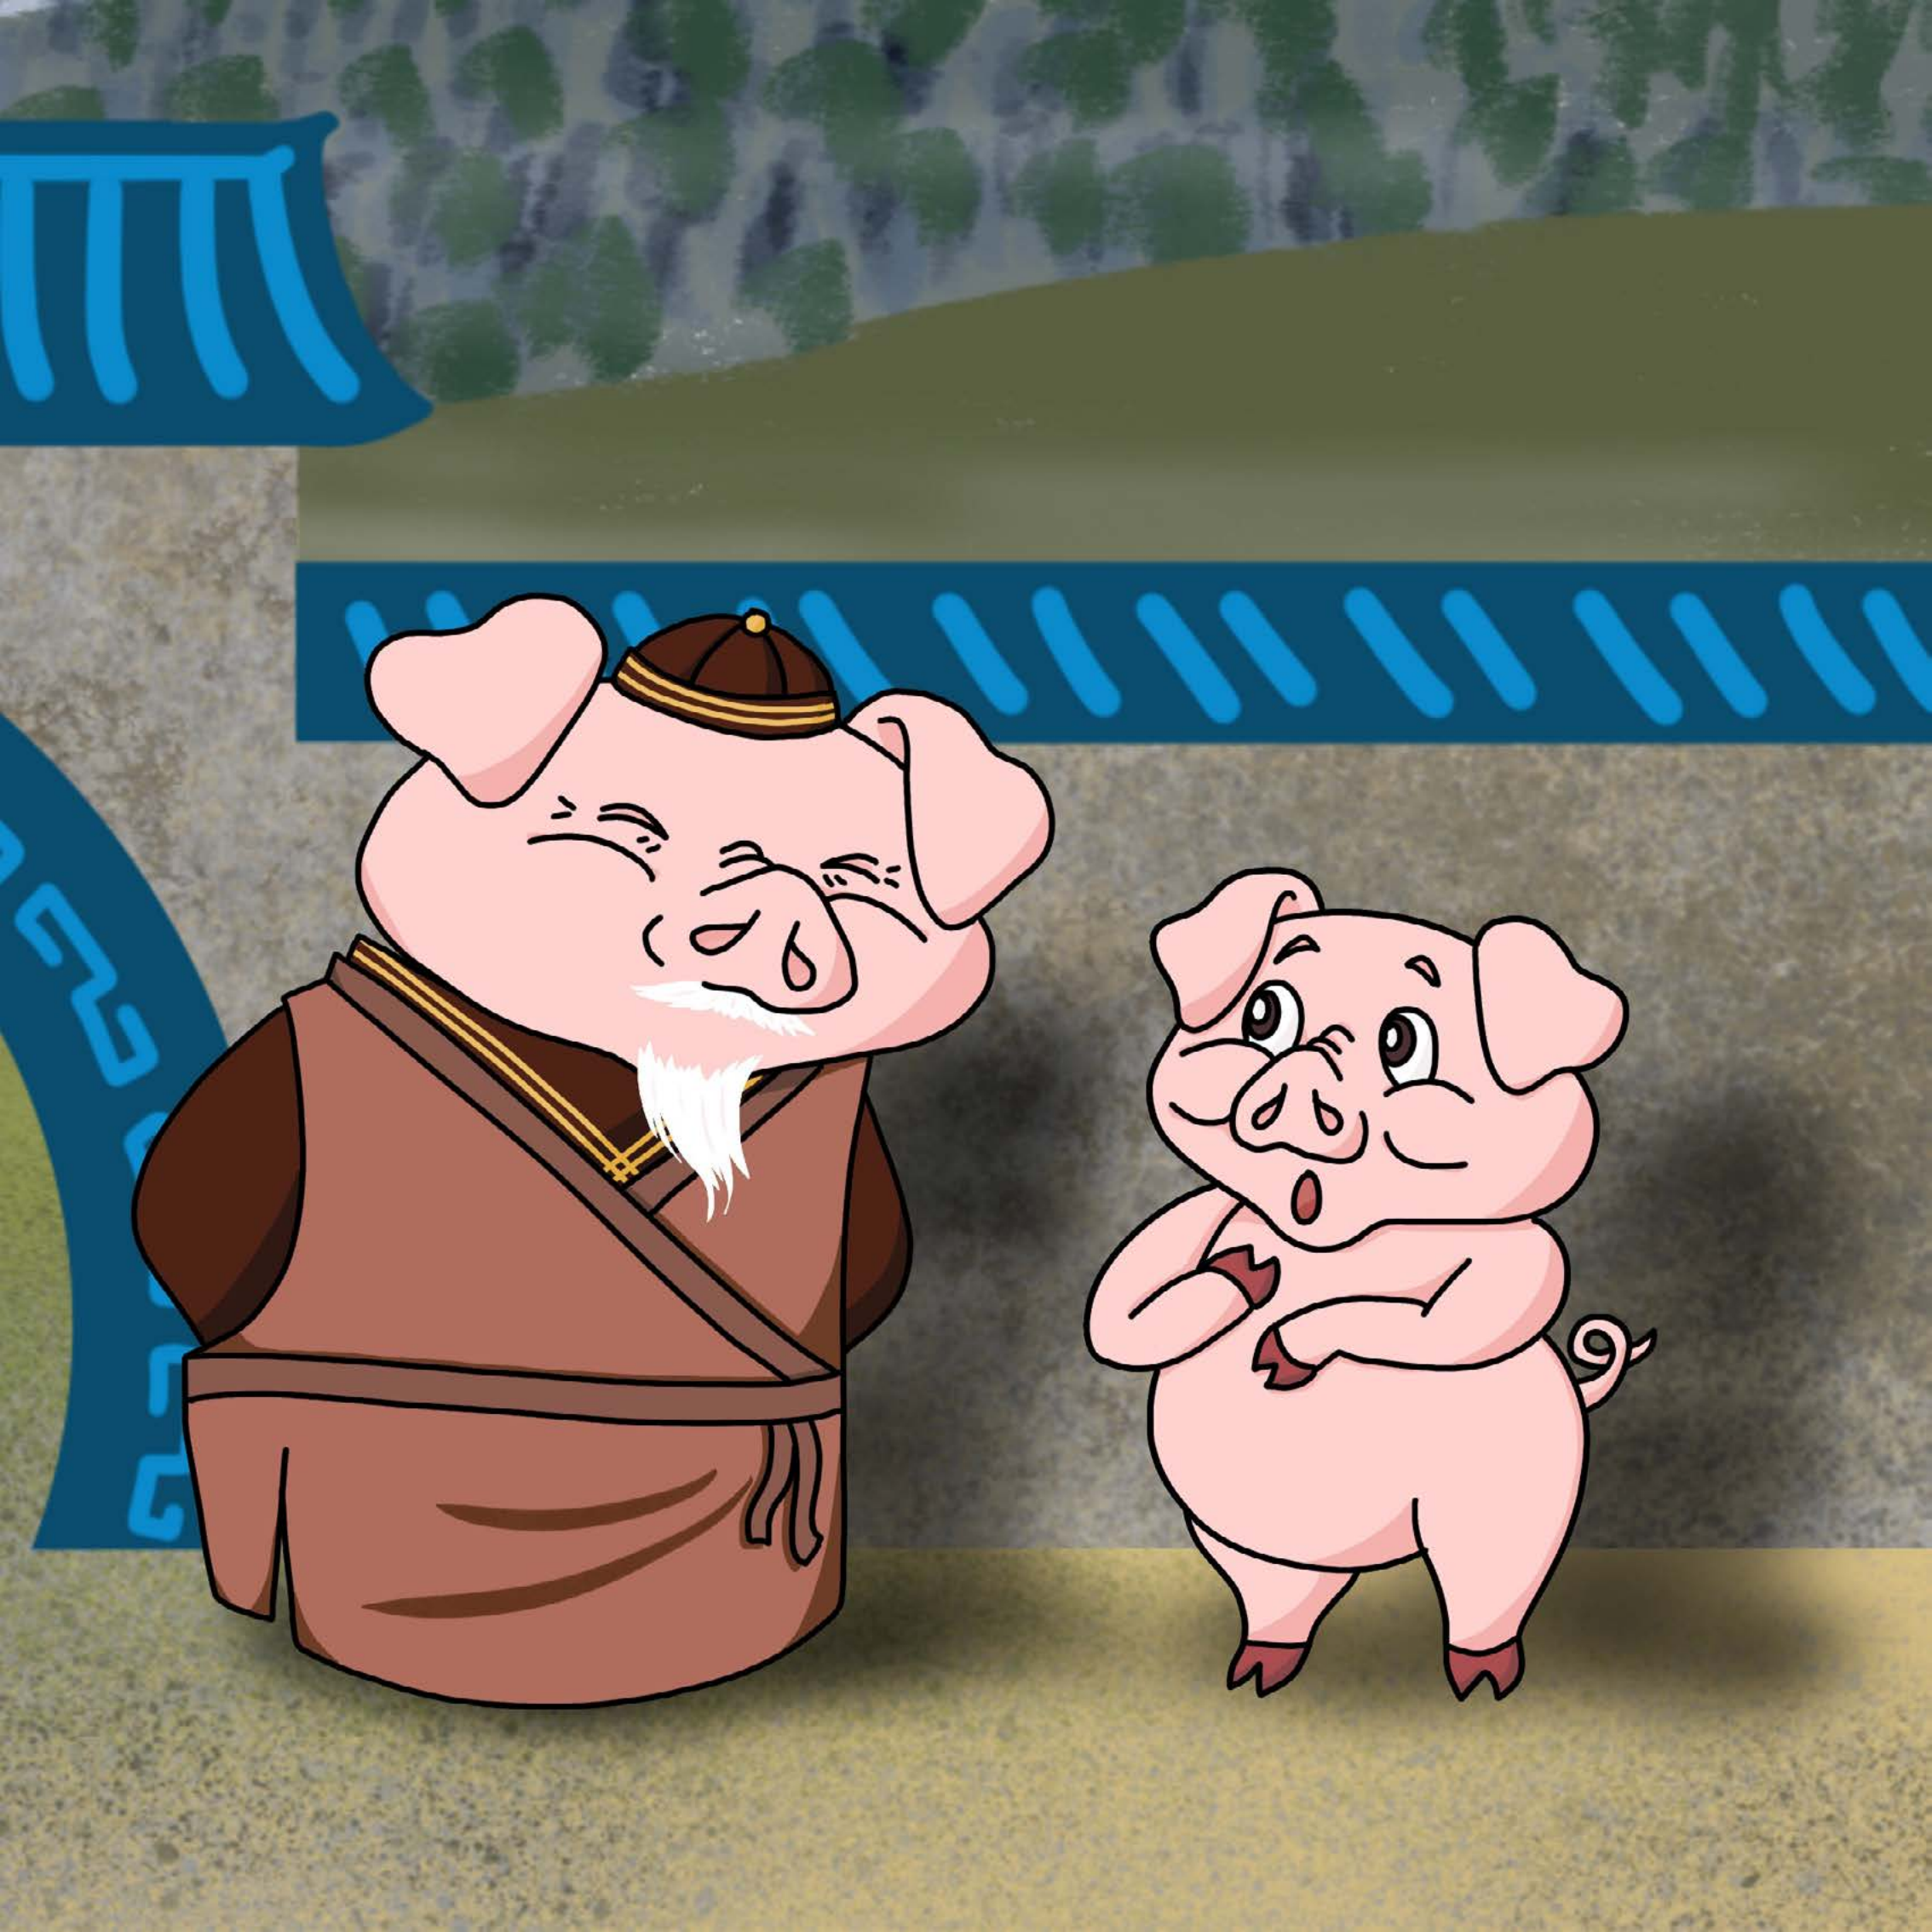

**A long time ago, there was a nasty monster
named Nian.**

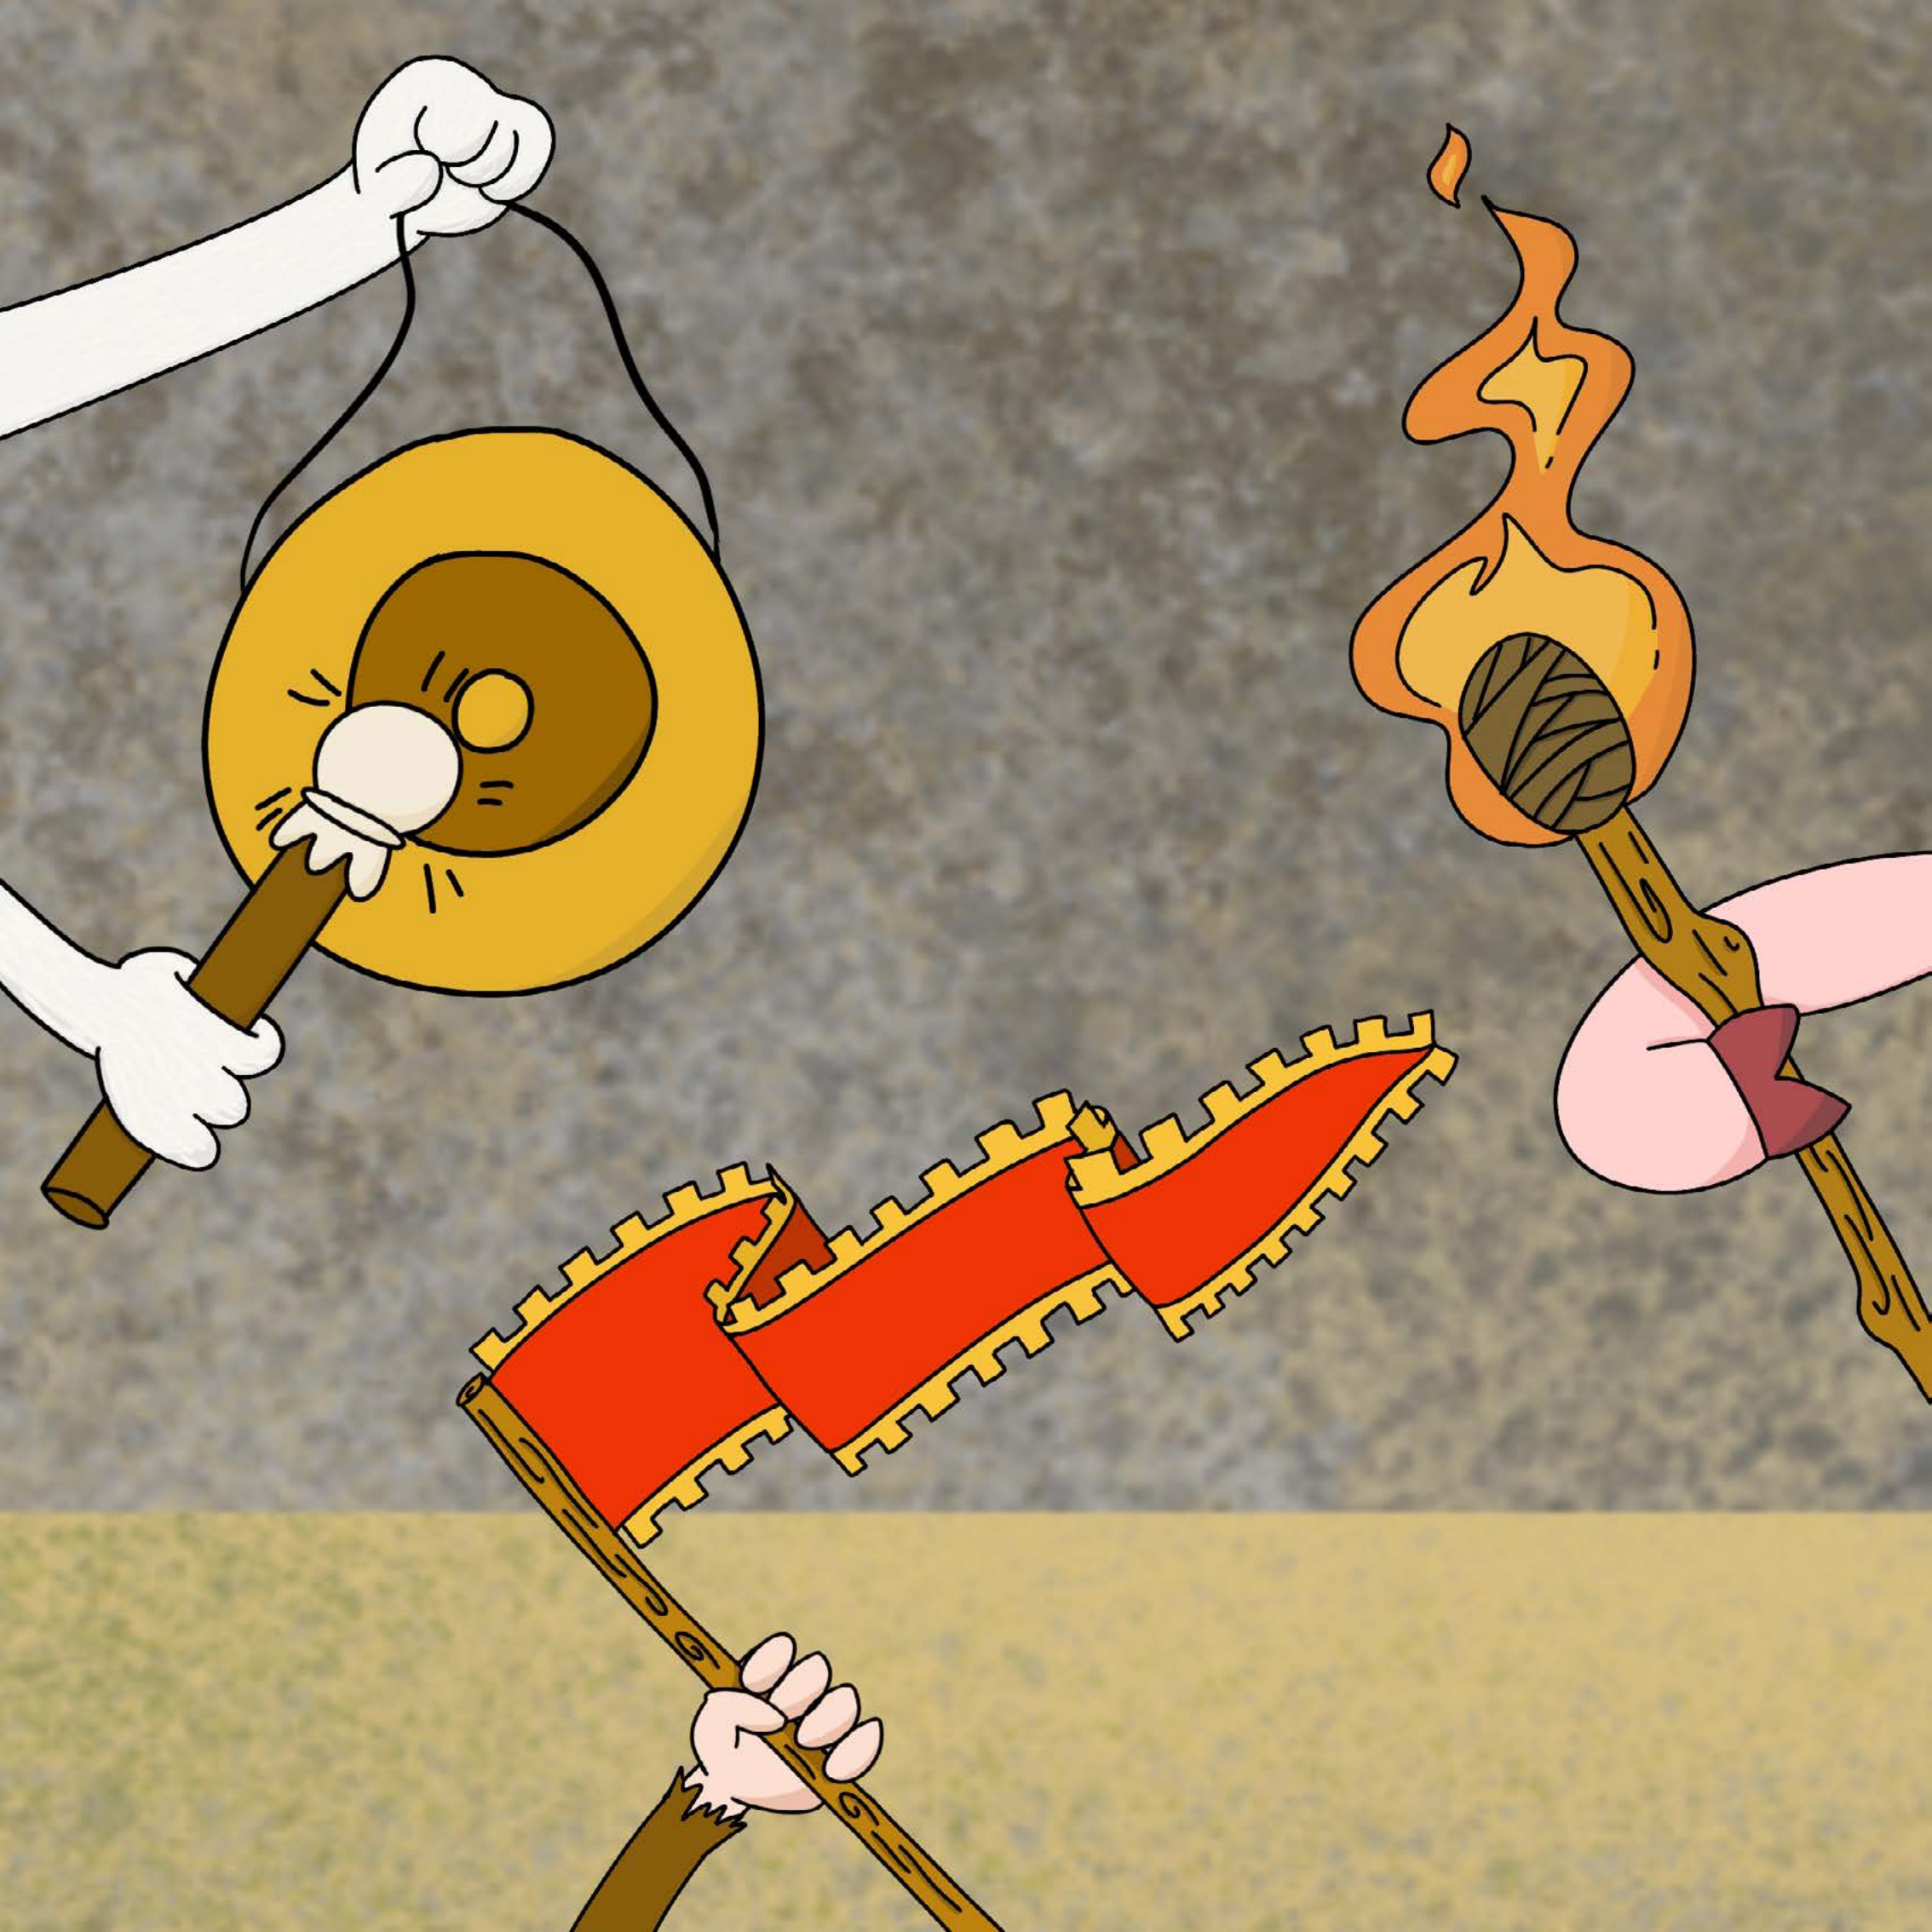

**Every year, when the new moon was in the
sky....**

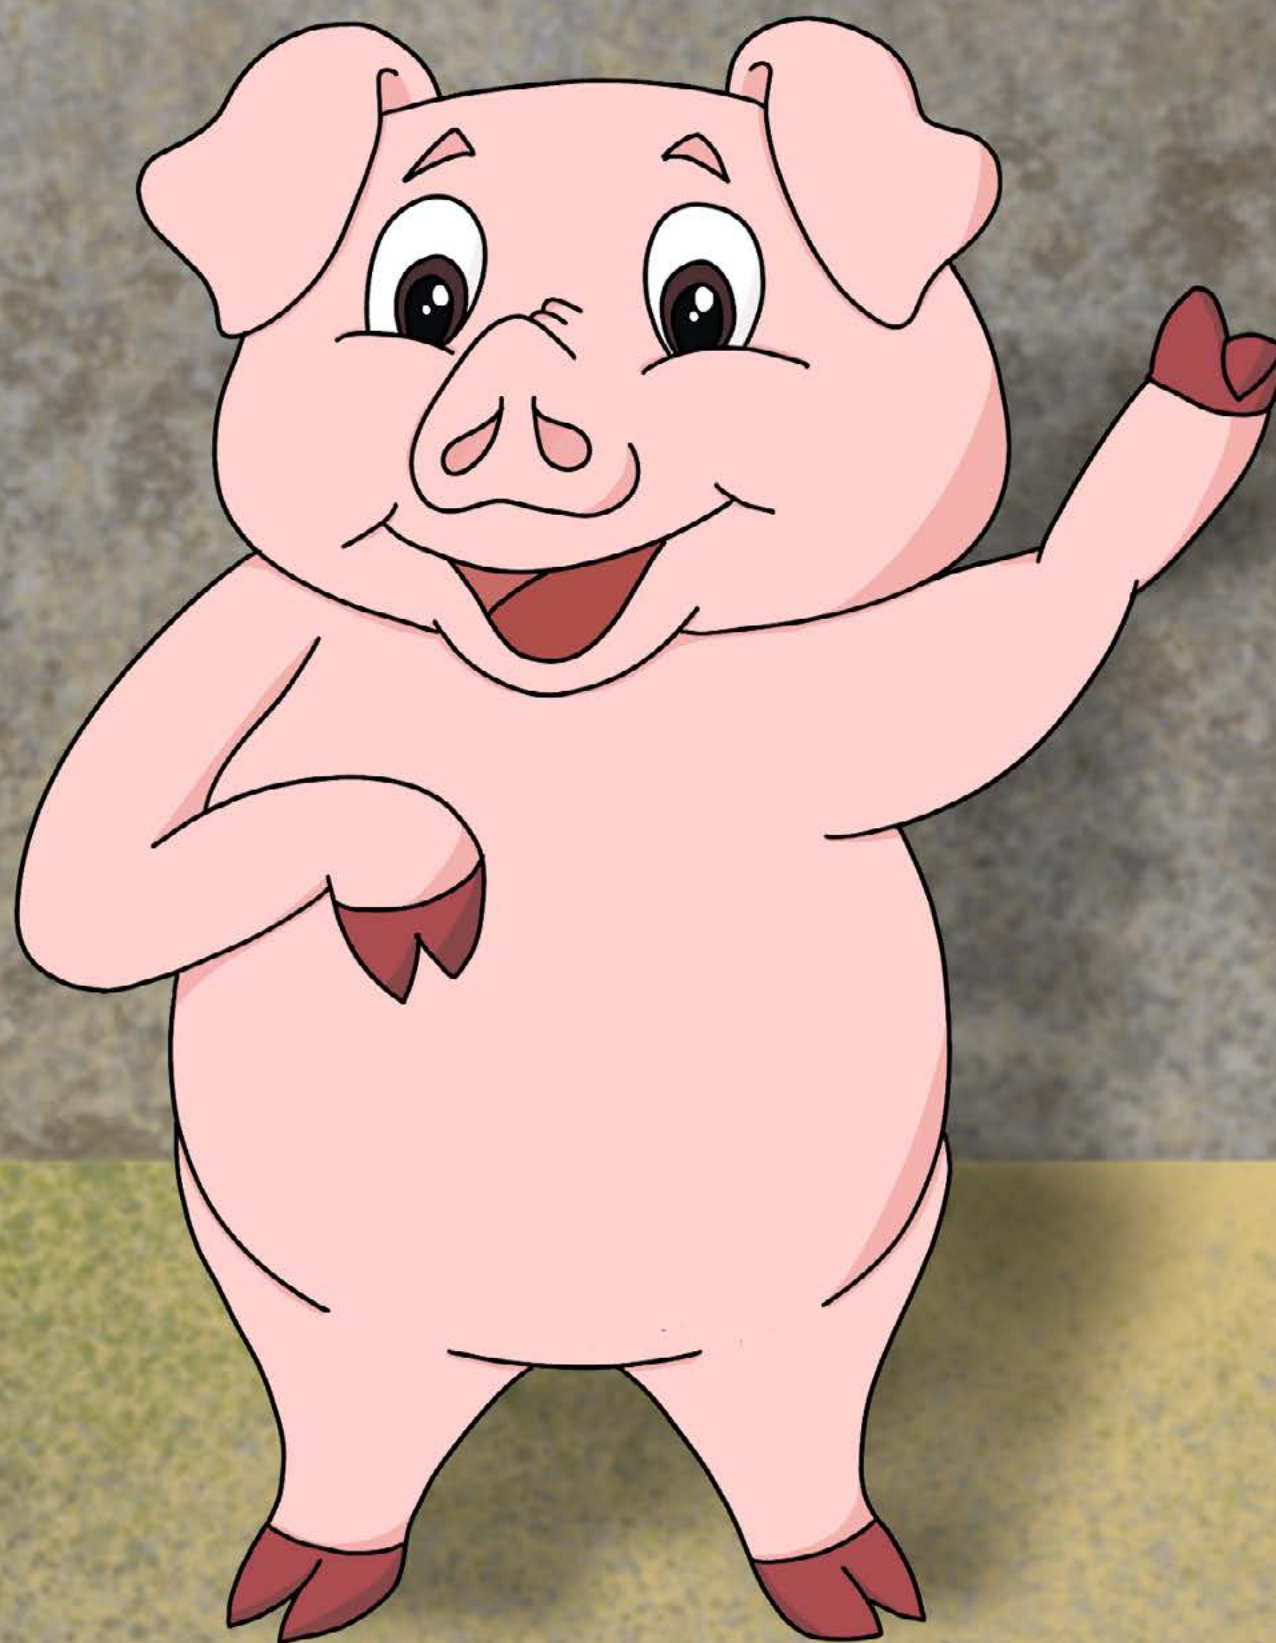

Nian would sneak into the village and scare all of the animals!!!

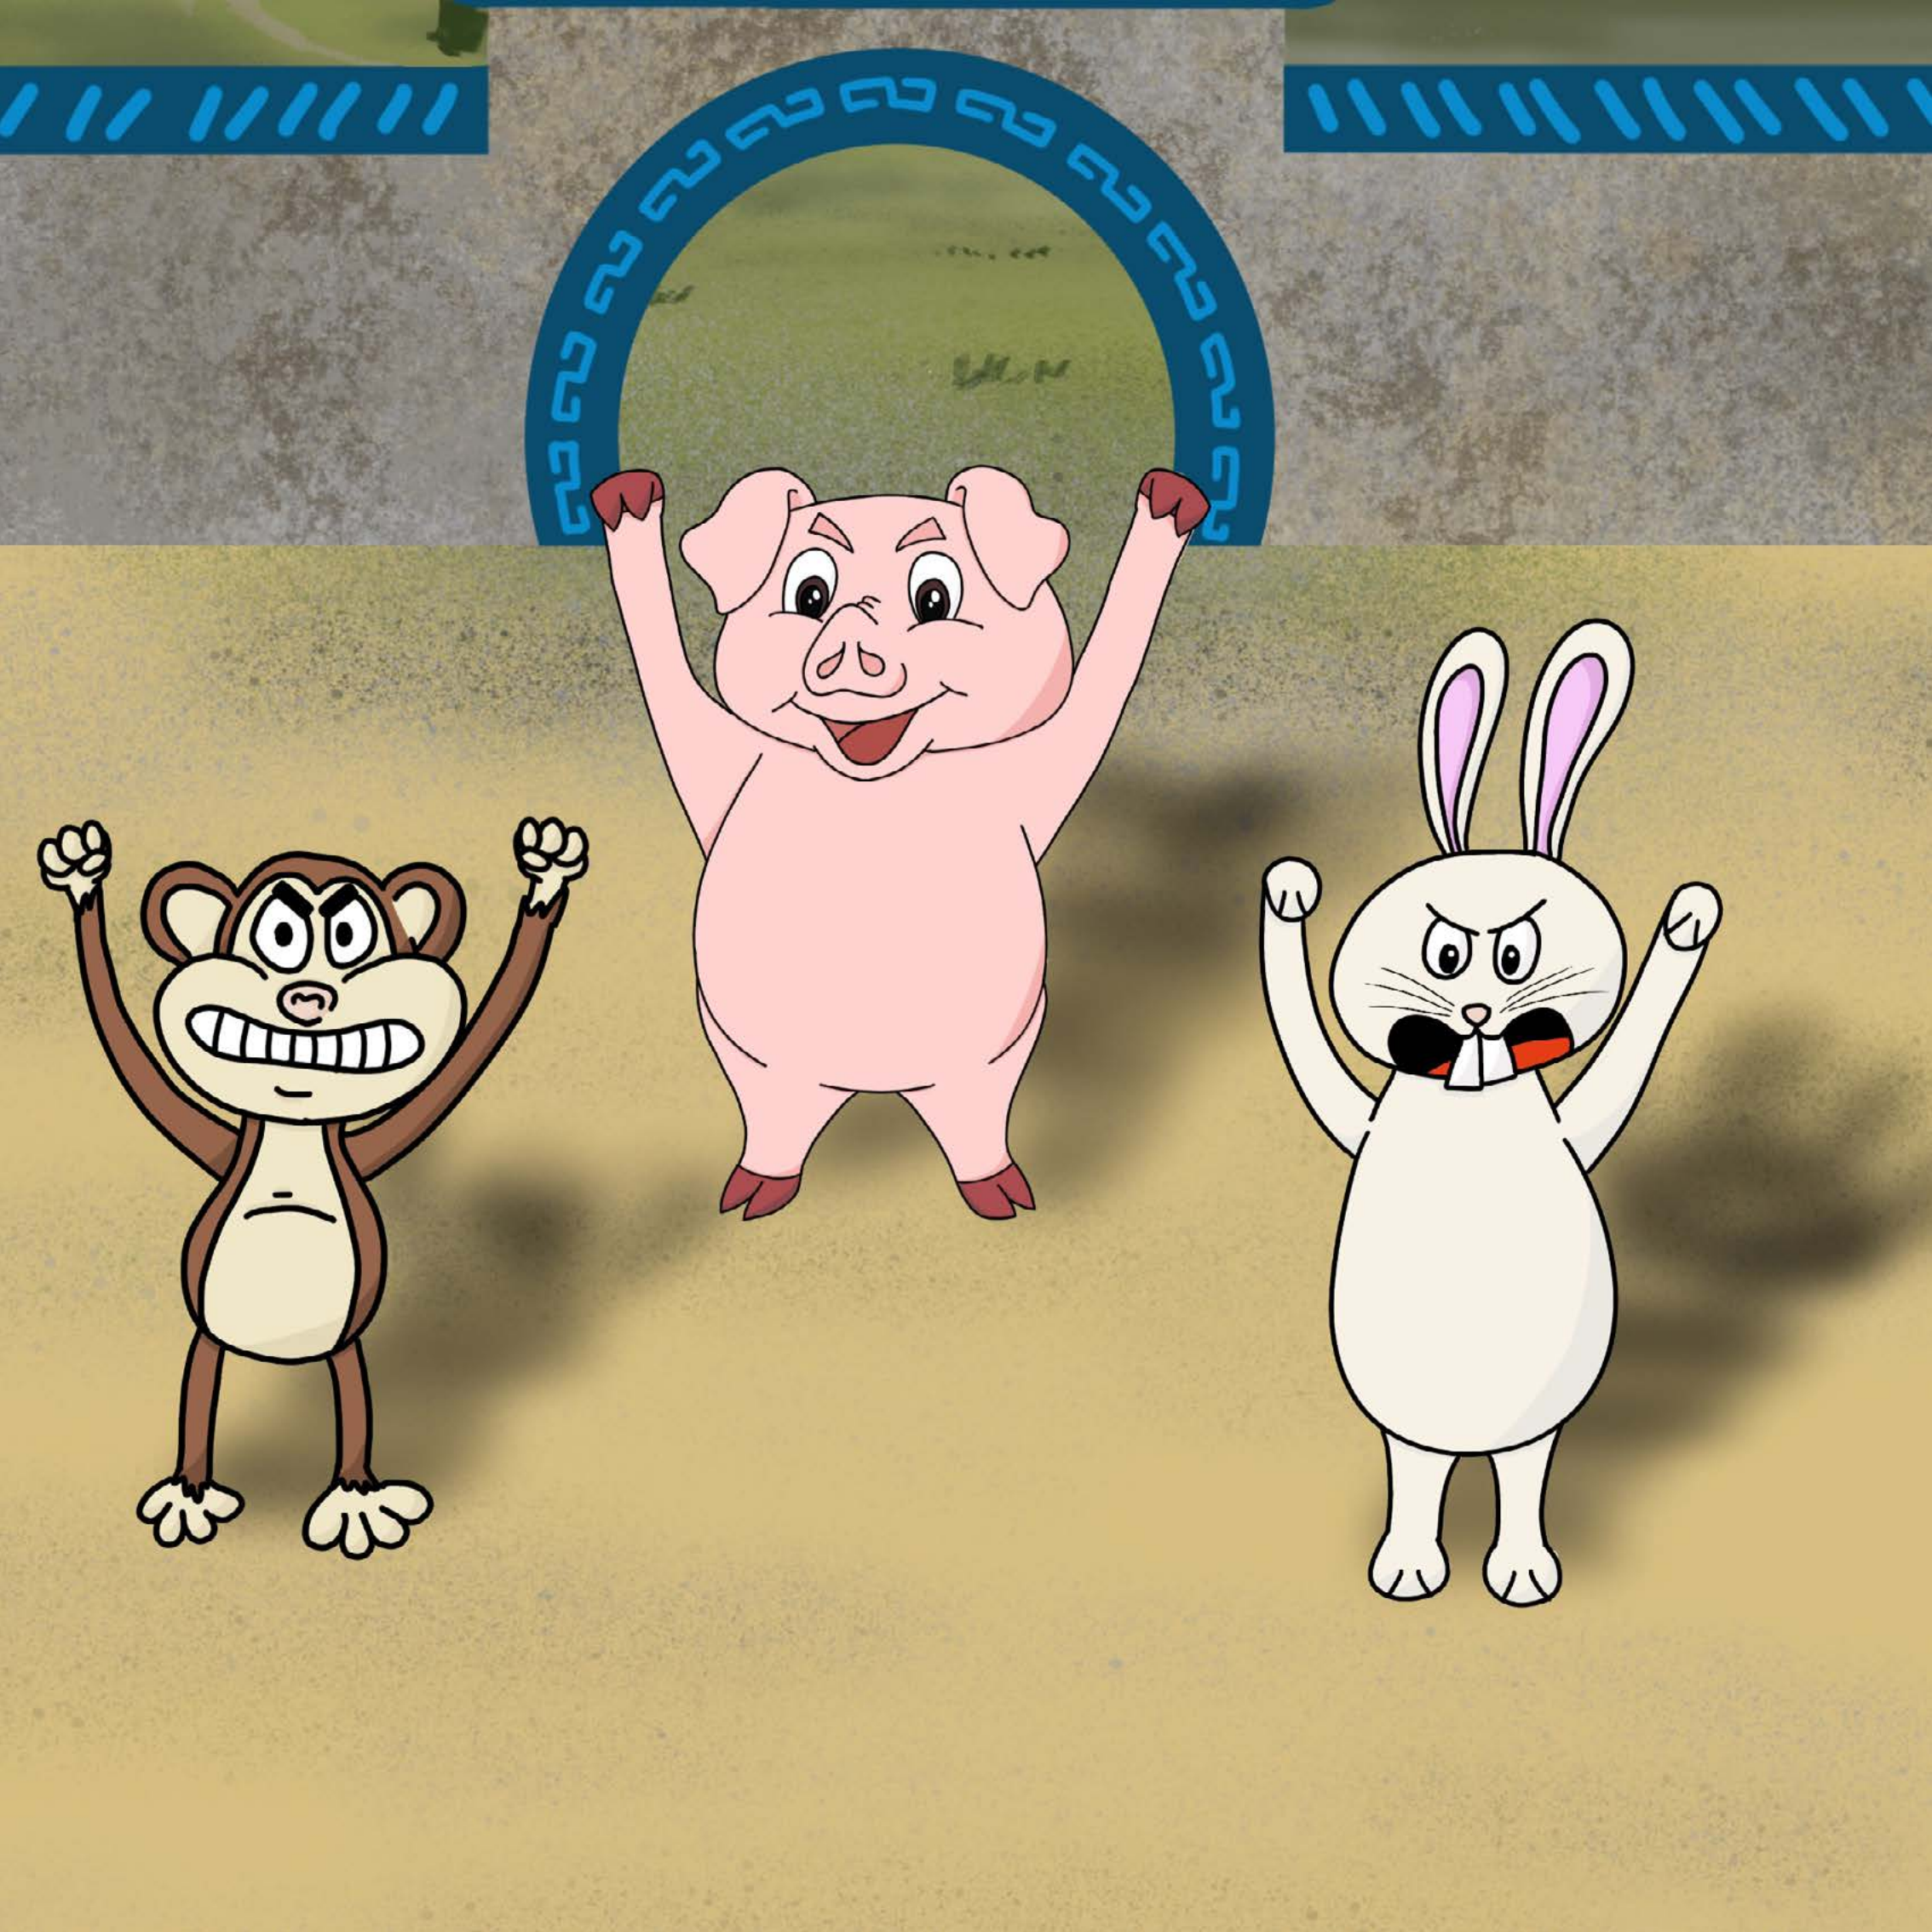

Until one year, A wise old pig shared a big secret with little pig... he told little pig what Nian was afraid of...

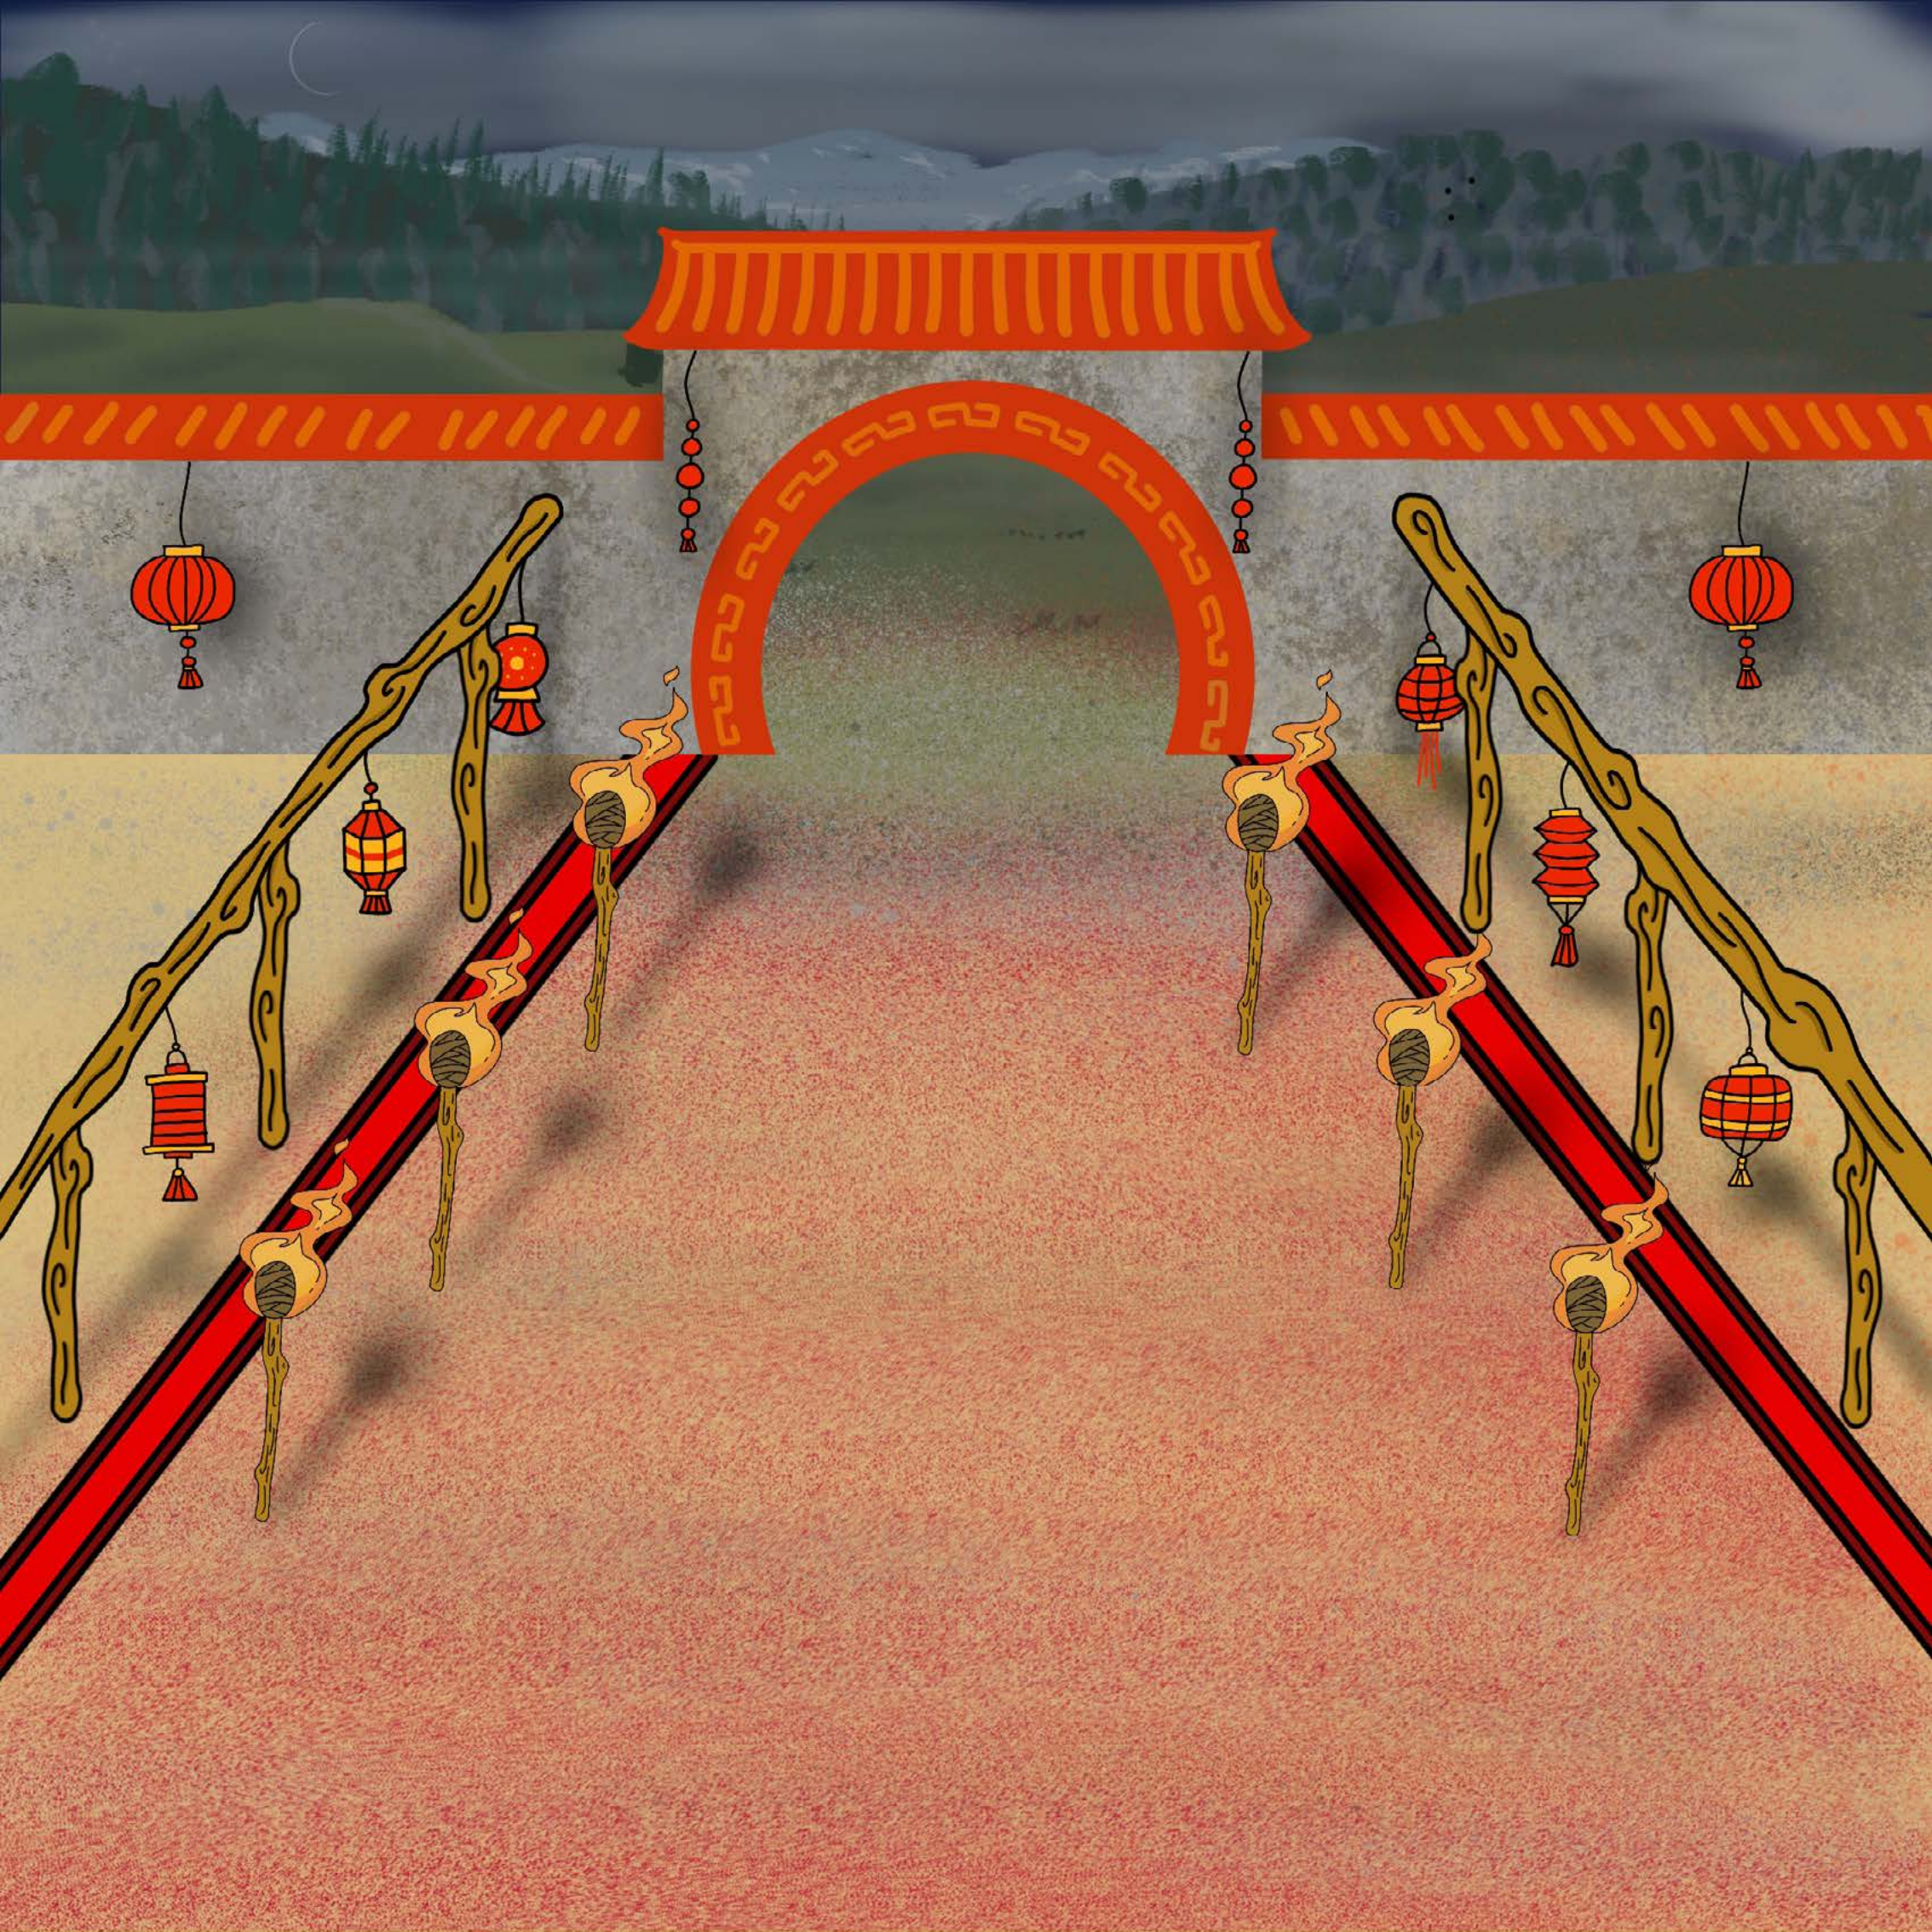

Nian was scared of loud noises, fire, and the colour RED!!!

Little pig had a great idea!

Little pig gathered all of the animals, and they would fight back!

**They decorated the whole village in red and
they lit lots of torches.**

... and when the Nian came back, the villagers made as much noise as they could!

**The Nian was very scared and ran far far away
from the village... and never came back!!!**
